

# FREESTANDING DISPLAY UNITS - FREESTYLE FRAMES

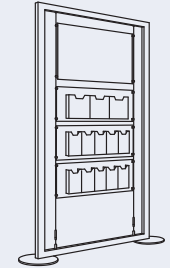

## FreeStyle Display Unit Configurations

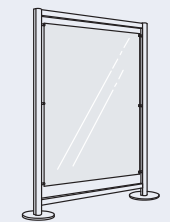

FreeStyle frames are made from aluminum profile with anodized silver finish. Profiles are supplied with a slot to take the cables or rods fitted with a quick fit toggle. Just clip in, turn and lock, then hang standard accessories from the cables. Add shelves, acrylic frames, lights, leaflet dispensers, graphic panels, etc.

## CONCEPT IDEAS

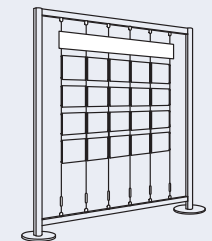

### Posters & Leaflet Dispensers

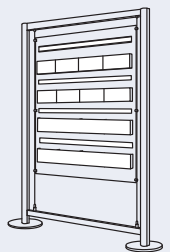

### Large Format Graphic Panels

### Logo Panels & Information

### Custom Merchandisers
