

Change display heights as often as you change your mind!

With adjustable length cables, you are never limited to standard lengths. Create unique and multi-tiered displays easily. Best of all, displays can be modified in minutes with our easy-to-use Spider Ring.

Multi-store rollouts are a breeze.

No more worries about which cable length to send to which store. With adjustable length cables, store staff can set the length in-store so you can send the same kit to every location.

- Signs hang level every time.
- Adjust cable length as many times as needed.
- A full 30" of adjustability per ring. Use more rings for more range.
- Send the same kit to each store — store staff adjusts length in seconds.
- Spider Rings are easily moved up and away from line-of-sight.

Simply wrap the cable around the Spider Ring, and your graphic will be adjusted by 3"
Each Ring can hold up to 10 wraps, for a total of 30" of adjustability!
