

## Give your hanging graphics infinite display flexibility.

The new Butterfly Track system allows for ultimate versatility in sign placement. With its easy-to-use hangers, the Butterfly Track gives you the ability to effortlessly move your graphics left-to-right or front-to-back. Best of all, installation is simple and flexible enough to accommodate unique placement.

- Moveable tracks allow for infinite sign display flexibility.
- Ideal for window boxes where altering displays keeps it fresh.
- Finished end caps provide a refined look.
- Sturdy design holds a wide range of graphics.

### Technical Information

Stock finishes are clear anodized aluminum and white powder-coated aluminum. Custom colors also available; 10,000ft. minimum and an up charge may apply. Call for pricing.

Upper tracks available at any length between 12" and 96". Lower tracks can be cut to any size between 10" and 28".

Butterfly Track works with Butterfly Clips and Mighty Mite Anchors only. Cannot be used with Spider Anchors.

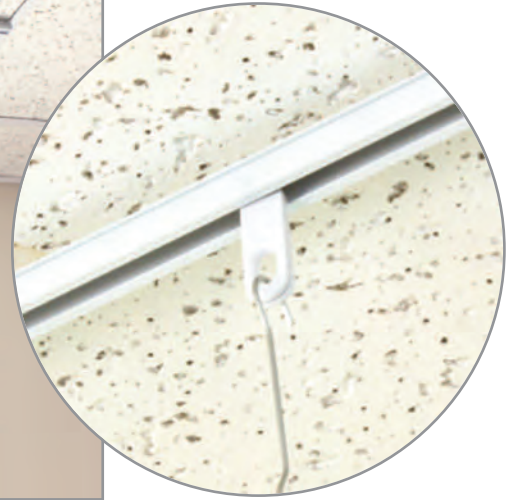

Precise installation required.

Hanging Hardware Kits are included with your order. Additional replacement hardware kits are sold separately at \$5.25 per kit.

Patent has been applied for the Butterfly Track.

The EasyGlide Track can span a grid section across the long direction or two grid sections across the short direction providing perfect placement of your signage.

## Here, there, or any where. Move your signage left-to-right with ease.

The new EasyGlide Track System makes moving your signage as easy as sliding your shower curtain. With its patent-pending design and easy-to-use Gliders, the System gives you the ability to display your signage anywhere. Then you can easily move it to access stock, promote a new product display, or simply change the look of your visuals.

- Signs move side-to-side with ease.
- Gliders are easy to insert and remove midtrack.
- Tracks available for use with plaster or grid ceilings.
- Grid ceiling version can be used with regular, recessed, or minigrids.
- Available in clear anodized or white finishes.
